

`<p style="text-align: justify;">I am visiting the <a href="http://www-cs.stanford.edu" target="_blank">Department of Computer Science</a> at <a href="http://www.stanford.edu" target="_blank">Stanford University, CA, USA</a> in Summer and Fall 2014. ♦During my stay we will study the interplay between network analysis, data integration and biology. There are many exciting challenges one can explore in these areas and I am very enthusiastic about the work.</p>`
